

# THE SPOKESMAN TEAM CAMBRIDGE

January 1996

Merry Christmas and a Happy New Year

I can't see any problem with the conditions. I'll soon finish the course when I find my bike again.

Due to the very cold and icy conditions the club decided that it was not safe to run the New Years Day '10'. I went across to Bottisham just in case anyone was mad/silly/keen enough to turn up. After last years poor turnout for the New Year Day '10', I was not expecting anybody out there. To my surprise there were more Team Cambridge people than we have had for some of the evening 10's last year.

Remember Monday 13th of January - Mick Walsh is showing a video on Structured Turbo Training at the end of the Club evening. If this cold spell continues then we will all be needing to use the turbo trainers more often.

You will find enclosed with this newsletter a Membership renewal form. Please would you return it as soon as possible as they are very late in coming out this year.
