APRIL 1999

Editors Notes

Welcome to the April edition of the spokesman, the last two months have been dominated by the sad loss of Ron Edwards. Ron will be sadly missed by everyone who knew him. His funeral at Cambridge Crematorium was exceptionally well attended by fellow cyclists and friends and reflected how popular and well respected Ron was. The entire service was conducted by Ron's son who delivered a very moving and sincere tribute to his father, which was a credit to him given the most difficult circumstances, I'm sure Ron would have been very proud indeed.

I'm afraid that time has been a bit short for me this last week and as there is a lot of additional information to include in this newsletter I've kept this issue in A4 format. You will find attached this years Wednesday evenings club race schedule, as well as that of Cambridge T & C CC events for those who would like to do a few extra. There is also the entry form for the club standards.

There are several club members who are actively competing in 'Open' Time Trials, If you would like to know which events people are entering then please come along to the club house on a Monday evening. There is general discussion about the events coming up within the next 4-6 weeks so that members have plenty of time to send in an entry.

That's all I've got time for now, as I need to get these in the post in time for the start of the club evening races.

All the Best
Graeme
